

House keeping rules for live musicians, band or DJ

- * If live music/DJ at ceremony, please ensure that set up is complete at least 30 minutes before commencement of ceremony.
- * If live music/DJ is for reception only, please ensure that set up is complete at least 30 minutes prior to reception opening.
- * Please call Bridgewater Estate to confirm your requirements and size of set up (if you have not performed at Bridgewater before). Ph Justin 0274 798 107.
- * Please check with us as to your power requirements prior to arriving at Bridgewater.
- * Please ensure you bring all your personal requirements, eg. tables, tablecloths, chairs, power cords, adaptors, etc.
- * Note that under our Resource Consent Requirements from Auckland Council, we must adhere to noise restrictions. We have very good neighbour relationships & would like to keep it that way. Please do not be offended if we ask you to turn your equipment down a little.
- * Our license is set for a 12.00am close. We will require your last piece of music to be no later than what's described on the bride & groom's schedule of events (Please ensure you have a copy of this. If unsure see Justin).
- * If you require a meal to be supplied at Bridgewater, please ensure that you discuss this with the bride & groom prior to the event so they can arrange it with us.

We at Bridgewater will do everything in our power to assist you with your requirements & make for a truly enjoyable evening for the bride & groom, family & guests. Please do not hesitate to contact us if you have any queries.

Thank you

Justin
