DECORATION PACKAGE

TERMS & CONDITIONS

This brochure outlines all of the current styling items available within our decoration collection. It has been thoughtfully designed to give our couples the opportunity to plan ahead, explore different looks and styles, and confidently curate a décor concept that reflects their vision for the day.

Our Decoration Package allows couples to select from our full range of in-house styling items as part of their wedding décor. This package includes the use of all selected items, along with complete set up and pack down by our team, ensuring everything is beautifully styled and professionally managed on the day.

Please note that any additional items sourced or supplied by the couple—such as wooden arches, draping, items hanging from rafters or large external hire pieces—are not included in the decoration package set up. We are happy to assist with the installation of these items at an additional cost, which will be quoted and confirmed at your final meeting.

As mentioned, the cost of the decoration package covers set up of our own items, however in some cases, we can set up smaller personal items provided by the couple, such as guest book table décor, favours, name tags, BYO napkins (Pre-Folded) or like-for-like replacements (for example, a handmade centrepiece in place of our centre piece items).

All personal items must be delivered either at the rehearsal or during the week of the wedding (not on the wedding day). If items arrive on the wedding day, the couple will need to arrange someone to set them up.

If you have partnered with a florist, they are welcome to access the venue and commence set up from 10:00am on the day of your event.

Please also note that we have an exclusive partnership with Bridgewater for chair and table hire. Upgraded chairs and tables must be arranged directly through Bridgewater, with set up and pack down included within our existing partnership agreement. Other external furniture suppliers typically operate on a drop-and-go basis and expect venue staff to complete the set up, which is not included in our pricing.

For furniture providers outside of chairs and tables (such as lounge suites), deliveries may occur from 8:00am on the day of the event, and all items must be collected before 10:00am the following day.
