Couple 2 Preferred Name	
Name of Witnesses and Relationship to the Couple <i>(2 witnesses required)</i>	
People of importance to you that the celebrant should know?	
Have you applied for your marriage licence? <i>(This should be done within three months prior to your wedding date)</i>	
Have you booked your Rehearsal? If so, what date/time have you booked?	

PLEASE NOTE:

I am required to sight your ID (either Driver's License or Passport) to ensure your legal names match what is on your marriage license.

Please ensure that you bring ID along with your marriage license to the rehearsal so we can get those legalities out of the way.

For all ceremonies that I conduct as a Marriage Celebrant, I have a template that we start from. [Please click here to view the template](#)

If you have selected the All-Inclusive Wedding Package, we will do minimal changes to the ceremony template, but can add your various pieces into the ceremony.

If you have selected the Traditional Wedding Package and want to make any changes to the structure of the ceremony, I am happy to discuss what you would like changed or added.

To help with the preparing the final ceremony script, please fill in the form below.

<p><b>Will you be writing your own vows to include into the ceremony?</b> <i>(If you are writing your own vows and are keeping them quiet for each other, feel free for each of you to email them through to me directly on <a href="mailto:enquiries@bridgewaterestate.co.nz">enquiries@bridgewaterestate.co.nz</a> so that you have a copy for both, that I can hand over during the ceremony)</i></p>	
<p><b>Will you be having any Readings, Rituals or Symbolisms that you want to include? If Yes, please explain what and who will be part of that?</b></p>	
<p><b>Any changes to the ceremony structure</b> <i>(Applicable for the Traditional Wedding Package only)</i></p>	
<p><b>At the end of your ceremony when I pronounce you as a married couple, what would you like to be called?</b> <i>(eg "I now pronounce you Mr and Mrs Smith")</i></p>
